

FUTURE OF WORK

Reengineering Talent Retention

vivianblade.com
vivian@vivianblade.com

6 Pillars of the Human-Centered Talent Lifecycle Experience

Cultivate

Cultivate & develop potential talent pipelines

Close

Honorable closure of employment, project, or contract relationship

Connect

Build connection & engagement to purpose, values, culture, people

Contribute

Create fulfilling pathways to add value through meaningful work experiences

Care

Embody a human-centric caring experience that builds belonging & empowers personal growth

Champion

Earn willing and eager advocacy across the lifecycle

Is your talent lifecycle experience a retention magnet?
